1	People don't observe restrictions anyway....	8/31/2021 1:09 PM
2	At least one. Or put up cameras to fine the nonpooperscoopers.	8/30/2021 10:16 PM
3	Every park should be dog-free. Unleashed dogs harass and attack people and leave feces everywhere, and owners cannot be trusted to keep their dogs on-leash.	8/30/2021 1:05 PM
4	There are many parks dog owners can take their pets to, and it's only part of the year that the park would be dog-free.	8/29/2021 9:25 AM
5	As long people obey the rules for pets	8/27/2021 12:48 PM
6	All city park should be dog free except for one doggie park	8/27/2021 7:11 AM
7	Dog bans don't make sense. We love our pets and need space to walk them.	8/24/2021 11:46 PM
8	Continue keeping parks dog free. Use a dog park for dogs. Too many owners do not pickup waste after their animals.	8/24/2021 8:43 PM
9	If people are uncomfortable with dogs, they can find other places to walk. (I do not own a dog myself) It seems to be more of an issue for specific people and the whole city shouldn't have to adapt because of their issue.	8/24/2021 3:18 PM
10	If the need is there I'm ok with it. I'm a dog owner.	8/24/2021 1:11 PM
11	It should be for all the parks as long as they are leashed and owners clean up after them.	8/24/2021 6:31 AM
12	Dogs are apart of peoples families if they go to the park the want to spend time with there family. Maybe Wyoming should look into putting in dog parks within a few of our local parks to make them even more pet friendly.	8/23/2021 11:32 PM
13	The presence of Dogs make people more sociable to each other.	8/23/2021 8:11 PM
14	Pick any day of the week there are not that many dogs in the parks. They are easy to avoid	8/23/2021 5:19 PM

and from my observations their owners do a good keeping them leashed and pick after them. Also parks draw from near by neighborhoods so those near pinery have to travel to get to a park to walk dog in

15	If it is it should not be Pinery Park. It has a great walking trail that I miss using with my pup.	8/23/2021 5:01 PM
16	All but designated dog parks.	8/23/2021 2:13 PM
17	dogs are members of the family. NO dogs means no one with dogs come to this park. So who does?	8/23/2021 1:11 PM
18	It would be great if there was at least a small dog run/area at the majority of the parks. a lot of families have pets and would like to enjoy the park with them.	8/23/2021 12:38 PM
19	If all dog owners were responsible, trained/controlled their dogs, and cleaned up after them, this would not be a problem. But they're not. I should NEVER have to clean someone else's dog's poop off of my or my children's shoes! I should NEVER have to fear for my or my children's safety from an uncontrolled dog while walking paths or playing at the playground!	8/23/2021 11:08 AM
20	As a pet owner and pet sitter it would be wonderful to have a city park or multiple parks designated for dogs. These days so many families have dogs and dog parks are few and far between.	8/23/2021 9:02 AM
21	Please consider making more than one park dog free.	8/23/2021 7:33 AM
22	As long as they are leashed and cleaned up after there should no restrictions	8/23/2021 7:18 AM
23	But leashes are a must	8/23/2021 6:55 AM
24	Yes for all of the original reasons but struggle with the idea of it being Pinery. We would have brought our dog with us to our sons ball games if we could have	8/22/2021 11:39 PM
25	It's nice to have a "safe" place for those with allergies or fears to be able to go enjoy park life.	8/22/2021 10:46 PM
26	Im okay with having a dog free park, but pick one that isn't as popular and is less used.	8/22/2021 10:38 PM
27	I think its like telling someone not to bring there kids places. I think we should welcome anyone that wants to bring a dog. People already cant bring them in restaurants movies ect	8/22/2021 9:58 PM
28	For those allergic or afraid of dogs, having 1 park in the city that's dog free would provide them with a worry free outdoor public space.	8/22/2021 9:39 PM
29	Parks should be a place for everyone to enjoy. Too many rules ruin it for everyone.	8/22/2021 9:35 PM
30	Why? Aren't parks supposed to be for families to relax and have fun. Dogs are part of the family	8/22/2021 9:32 PM
31	I actually think ALL but 1 or 2 parks should be dog free.	8/22/2021 9:31 PM
32	Dogs are a part of our family. There are women that cannot have kids and they get a dog. As a fur mom myself, I need to see my fur baby ply with other fur babies like I see my son playing with other kids!	8/22/2021 9:16 PM
33	I think this should only be the case if owners again prove that they cannot control and/or clean up after their dogs	8/22/2021 9:13 PM
34	KEEP PINERY DOG FREE	8/22/2021 9:12 PM
35	many people are relying on their dogs as emotion support animals in these trying times. Dog ownership has increased dramatically in the last 24 yrs. Pets have become family members. Some people rely on their pets as motivation to get out and exercise, pinery park, with its mile long round track is perfect for this. This rule needs to be repealed.	8/22/2021 8:29 PM
36	Some people just don't like dogs. Let those people have their own space.	8/22/2021 8:06 PM
37	As long as they are on a leash and the owners pick up the poop they should be allowed at any time in all parks	8/22/2021 7:59 PM
38	Yes, move it to a park that's small in size.	8/22/2021 7:58 PM
39	Parks should all be dog friendly, if it's outside and a public park it should be open for all dogs. People need to take responsibility for their dogs and by prohibiting dogs isn't fair to those who	8/22/2021 7:54 PM

	are responsible	
40	Service dogs are a thing, and so are emotional support animals. As well as just family members	8/22/2021 7:48 PM
41	All parks should be able to be used by all residents.	8/22/2021 7:41 PM
42	Pinery Park, but no dangerous breeds and must be on leash	8/22/2021 7:33 PM
43	parks are great places to walk your pet. Owners should be responsible.	8/22/2021 7:20 PM
44	I don't see the need for a park to be "dog free" - just more important for dogs to be kept on their leash.	8/22/2021 7:20 PM
45	If the dogs are leashed and the owner picks up after the dogs why should there be laws to deter people from getting out walking.	8/22/2021 7:16 PM
46	Unless people aren't cleaning up after their dogs.	8/22/2021 7:16 PM
47	Our city is in need of more dog friendly play spaces so could we look at adding a fenced dog park along with a couple of poo specific trash bins?	8/22/2021 7:15 PM
48	Parks are public use. People who have dogs in apartments need places to walk their companions for exercise	8/22/2021 7:14 PM
49	Pets are family and should be allowed every where	8/22/2021 7:12 PM
50	Everyone pays taxes so all parks should be accessible for people with or without pets.	8/22/2021 6:54 PM
51	parks should be for everyone / many of the Wyoming homes do not have much for a yard - it allows people a place to walk their dog - I live by Lamar park - many people use the park to walk their dogs - they have them on their leash - I can't say that I have ever had a problem with anyone and their dog - it's a great way for people to get out	8/22/2021 6:47 PM
52	An elderly person that may live right next door to that Park won't have a place to walk their dog if they don't have the ability to get by to other parks	8/22/2021 6:40 PM
53	In most families (Like mine) their dogs are part of their family.	8/22/2021 6:24 PM
54	I know many people that walk their leashed dogs and enjoy the parks	8/22/2021 5:26 PM
55	So my kid and dog has to play at different parks!?	8/22/2021 5:23 PM
56	Why because families usually go to the park that is nearest them. And this would discourage them from visiting the park as a family with a pet.	8/22/2021 5:02 PM
57	Dogs should be allowed on a leash and excrement is picked up.	8/22/2021 5:01 PM
58	Dogs should be able to go to the park an have a good time with their owner	8/22/2021 3:50 PM
59	But they should be on leach and picked up after	8/22/2021 3:11 PM
60	Too many dogs being walked without leashes. My neighbor's small dog was attacked by pit bull. Owner had to jump into the pit bull dog to stop it.	8/22/2021 3:04 PM
61	I would like to see more dog-free parks	8/22/2021 2:33 PM
62	Actually - I think it would be much less confusing to have it be ALL YEAR - the temporary nature of this lends to the confusion/frustration.	8/22/2021 2:12 PM
63	Great idea	8/22/2021 2:06 PM
64	I'm a dog owner but understand that not everyone likes dogs, some people are genuinely afraid of them	8/22/2021 1:56 PM
65	Dogs are best friends of humans. Should be able to be with best friends	8/22/2021 1:55 PM
66	I think all parks should have a area where dogs aren't allowed.	8/22/2021 1:52 PM
67	Some people/kids are scared of dogs	8/22/2021 12:37 PM
68	Have a dog park available instead and enforce leashes on the other parks	8/22/2021 12:12 PM
69	No, but the pets SHOULD be on a leash	8/22/2021 11:08 AM

Wyoming Parks & Recreation - Dog Restrictions

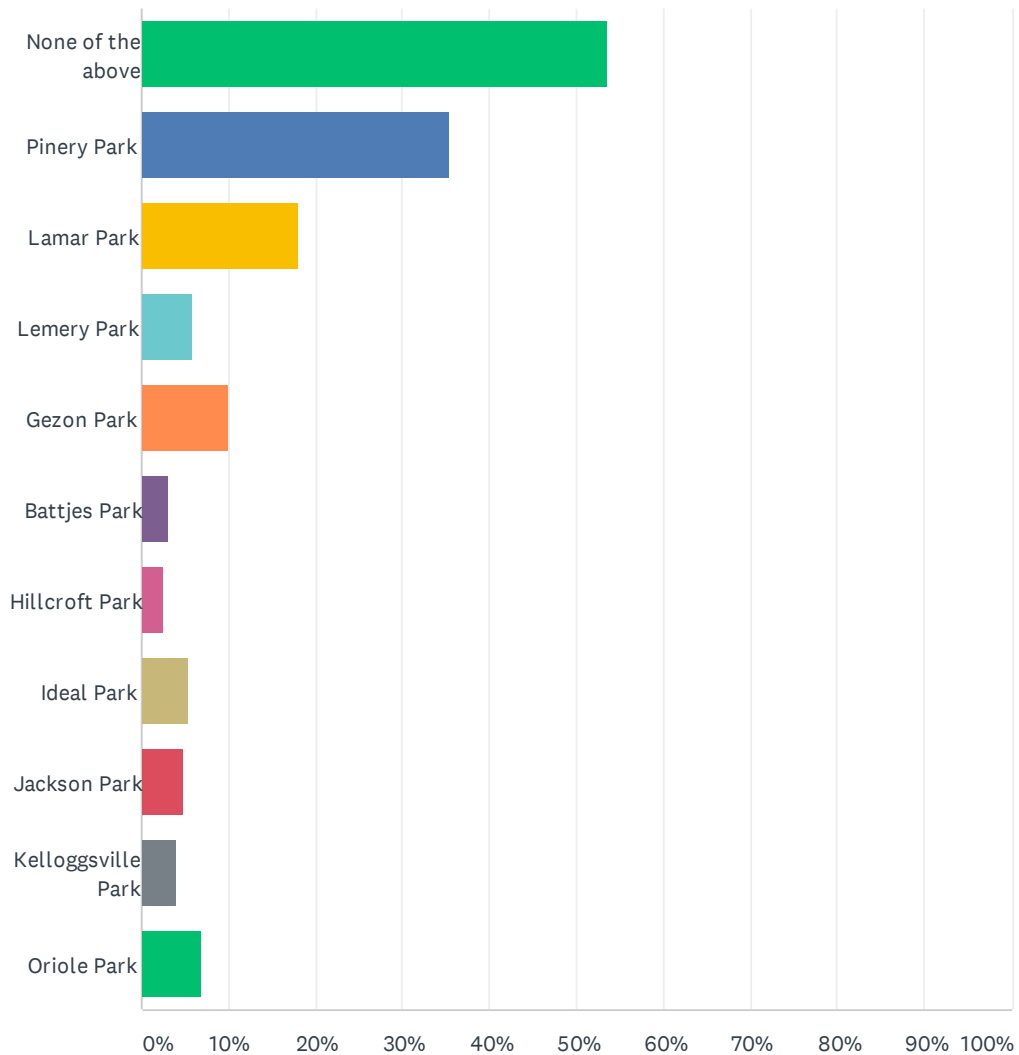

70	I won't go to it because my family would not be welcome, but non dog people deserve a peaceful place for themselves	8/22/2021 11:07 AM
71	Fines for not picking up or being leashed.	8/22/2021 10:35 AM
72	My dog loves going to the park	8/22/2021 10:24 AM
73	People bring their dogs anyways, so it really doesn't matter.	8/22/2021 10:16 AM
74	I was attacked by a pit bull that was not leashed along the Buck Creek Trail. Some people do not clean up after their dogs their either. I go walk Calvin Eco Systems because no dogs are allowed there.	8/21/2021 10:17 AM
75	It would be nice if everyone followed the rules and kept dogs on leash at a city park. Some dogs do not do well at dog parks.	8/20/2021 2:25 PM
76	Because not everyone takes care of their dog poop	8/20/2021 12:52 PM
77	Our parks are large enough that people can find a spot away from leashed dogs.	8/20/2021 10:46 AM
78	All dog owners are not respectful of others and some have a reasonable fear of dogs.	8/19/2021 8:54 PM
79	Dog allergies and fears. Need a safe place to walk	8/19/2021 8:33 PM
80	But need police to enforce on leash and pick up poop laws	8/19/2021 8:14 PM
81	I walk weekly at Pinery park and like that there are not a lot of dogs there on the path when walking or jogging or else I would feel like I was on the kent trails.	8/19/2021 7:48 PM
82	It would be a nuisance and potentially dangerous for little league participants in Pinery.	8/19/2021 6:13 PM
83	No, having available dog waste bags and trash can makes every park dog friendly	8/19/2021 5:46 PM
84	Dogs can be dangerous and kids should be able to play w/o that risk	8/19/2021 5:01 PM
85	What about choosing part of the day that is dog free in one park, Mornings dog free, afternoons dogs welcome.	8/19/2021 5:00 PM
86	No all parks should allow dogs. Owners should be fined if dogs are off leash, defecation is left, or dogs ate not licensed. It is absolutely disgusting people allow their dogs to poop near childrens play equipment so maybe regulations on keeping dogs certain distances from play equipment also and fir safety.	8/19/2021 4:54 PM
87	With leash laws in place, there is no need to prohibit dogs from being in the parks.	8/19/2021 4:50 PM
88	I'm allergic to dogs, and dog owners can take over a park!	8/19/2021 3:52 PM
89	People bring there dogs on the athletic fields and the dogs shit all over where the kids play on those fields.	8/19/2021 3:35 PM
90	Sometimes dogs aren't trained well or looked after. The Summer months are when children and families shouldn't have to worry about bad training or 0 clean up.	8/19/2021 2:36 PM
91	Some people are allergic to dogs and it is completely unfair to them.	8/19/2021 2:13 PM
92	I recommend choosing a park big enough to have a dog-free zone, but people living near a park should be able to bring their dogs as long as they follow the leash laws and clean up after their dogs.	8/19/2021 1:57 PM
93	We live right next to Pinery Park and hardly ever go there to walk because we can't take our dogs there. Very frustrating. We are responsible dog owners who pick up after our dogs and keep them on the leash.	8/19/2021 11:52 AM
94	Dogs should be allowed in all parks as long as owners are picking up after the dogs and dogs remain on a short leash. There are enough workers around Pinery Park to know when owners are not picking up after their dogs. Putting multiple trash containers specifically for dog refuse, with bags available would significantly help with the refuse issue.	8/19/2021 11:51 AM
95	I don't think it will matter if it's dog free or not. Nobody follows the rule anyway.	8/19/2021 11:39 AM
96	Not everyone is comfortable with dogs around.	8/19/2021 11:12 AM

Wyoming Parks & Recreation - Dog Restrictions

97	dogs are such a part of our lives! they need to socialize as much as people do :)	8/19/2021 11:08 AM
98	Dogs can be scary to a lot of people, especially kids who don't have one. And most dog owners aren't that respectful in public, in my experience.	8/19/2021 10:45 AM
99	Off leash dogs are my number one safety concern at Oriole Park. My small dogs and I are attacked at least once a year, twice with injuries. It's nice to know there is one park where folks can go--especially with all the ballgames that happen at Pinery	8/19/2021 10:25 AM
100	I love dogs and wish all parks were open to them but...I feel for safety of older people with limited space on the trails it's best to have Pinery Park stay as is. Best location by the senior center and senior housing.	8/19/2021 10:24 AM
101	Not necessary seeing we maintain a dog park	8/19/2021 9:53 AM
102	Personally, most city parks should be dog free unless strict leash requirements are enforced. Far too many people let their dogs run free or on very long leashes at Lemery Park and Buck Creek Trail.	8/19/2021 9:50 AM
103	People enjoy walking their dogs in the parks and taking them when they take their kids.	8/19/2021 9:37 AM
104	But there has to be consequences for those who don't leash their pet or clean up after them	8/19/2021 9:32 AM
105	Properly leashed dogs should be permitted at any and all parks.	8/19/2021 9:29 AM
106	Do we keep certain parks "kid free" because of irresponsible parental supervision of their kids? No? Then we should not do a similar thing with people's dogs.	8/19/2021 9:27 AM
107	Yes, but a less used, small park.	8/19/2021 9:22 AM
108	I don't see a problem with dogs at the parks if dog owners would follow rules, pick up after their dogs and have your dog on a leash at ALL times.	8/19/2021 9:21 AM
109	No dogs are family members and should be allowed at parks with their families. Dog poop bags should be provided so people can clean up after their dogs.	8/19/2021 9:20 AM
110	People bring their dogs nonstop to pinery park throughout the entire baseball season which is the time when they are prohibited through the park. It doesn't ever seem to be an issue that they are dogs there & they should be allowed to come	8/19/2021 9:20 AM
111	Many people like to take their dogs for a walk.	8/19/2021 9:14 AM
112	Some children and adults are very frightened of dogs. I feel they should have one park set aside for them.	8/19/2021 9:12 AM
113	I believe if the dog is on a leash then it should be allowed.	8/19/2021 9:09 AM
114	Not everyone likes dogs. Not every dog owner picks up after their dogs. My son is terrified of dogs and it's nice to be able to go somewhere that we don't need to worry about it.	8/19/2021 9:06 AM
115	Dogs are family members. Dogs can be keep leashed for safety.	8/19/2021 9:05 AM

1	Both have walking paths; people have dogs off leash. Also not all clean up after their dogs.	8/31/2021 1:09 PM
2	Currently set as "dog free" safety with all the children that play baseball or softball. Having added dog creates more of a safety issue for them.	8/31/2021 9:45 AM

32	I didn't	8/24/2021 12:54 PM
33	Safety for people in these areas. High usage parks by the community.	8/24/2021 7:04 AM
34	Some of the bigger parks; don't need dogs or other pets bothering/biting people.	8/24/2021 7:01 AM
35	I take my kids to play there	8/24/2021 6:53 AM
36	They are closer to where I live.	8/24/2021 6:31 AM
37	No specific reason. There isn't enough dog parks so why remove them completely ?	8/24/2021 1:02 AM
38	I think that all parks should be dog friendly.	8/23/2021 11:55 PM
39	Dog parks within our local parks would be an excellent way to get even more families out to the park.	8/23/2021 11:32 PM
40	Because many people walk there. Plus many use the exercise equipment. Some of the walkers could be scared of dogs.	8/23/2021 11:26 PM
41	Lovely parks, well kept, safe. No need for animals, they are not dog parks, owners can drive to those if needed.	8/23/2021 11:10 PM

43	Close to home, trails for dogs to walk & nice parks!	8/23/2021 8:59 PM
44	Na	8/23/2021 8:53 PM
45	I did not. I believe leash's should be required, but it hurts no one for dogs to be walking leashed with their owners.	8/23/2021 8:52 PM
46	Dogs should be allowed in ALL parks!	8/23/2021 8:20 PM
47	Because I don't believe any park should ban happy pets and happy pet owners. Angry people don't bring their angry dogs to the park.	8/23/2021 8:11 PM
48	I only really care about Ideal since I live in the area and am VERY sick of seeing dog poop all over the place!	8/23/2021 7:54 PM
49	I don't think any should be dog free.	8/23/2021 7:29 PM
50	I don't think there should be a restriction on walking dogs at any park. It's the safest place to walk dogs.	8/23/2021 7:28 PM
51	Busy park used by all ages.	8/23/2021 7:26 PM
52	I don't think any park should have dog restrictions	8/23/2021 6:39 PM
53	As long as owners obey rules, there should not be an issue.	8/23/2021 6:21 PM
54	I do not have a specific park in mind. I just think there should be one that is dog free	8/23/2021 5:51 PM
55	I choose no locations because would be alienating people from those areas. People should be able to walk with dog to the nearest city park	8/23/2021 5:19 PM
56	Because I prefer the others and some I do t know	8/23/2021 5:01 PM
57	we should have more environmental dogs around then just walking	8/23/2021 4:50 PM
58	These parks have nicer walking paths that can be ruined by dog waste and unruly dogs	8/23/2021 3:51 PM
59	Too close to busy road. Very busy parks.	8/23/2021 3:37 PM

62	To keep it consistent	8/23/2021 2:25 PM
63	I know for a fact that Oriole Park is problematic and would assume the others are as well. The survey requires me to select.	8/23/2021 2:13 PM
64	I choose none	8/23/2021 1:38 PM
65	I don't know where all these parks are?	8/23/2021 1:11 PM

112	I choose none. If you have a problem with dogs stay home. Dogs need socialization, and activity. If you don't like that find a new park. Typically a dog park is gated as well.	8/22/2021 10:42 PM

116	In this day and age with people having therapy pets and owners being more responsible it would be more responsible to have dog free hours than a dog free park all together. I don't get to enjoy our favorite park because as a parent that has kids who wants their dog to walk with them we can't enjoy the walking trail at Pinery. Nor have a family gathering at the park which has more shade than other parks. If anything's having a free dog park would be more ideal. Paying for the small area to run in when in other areas we can enjoy a free park with a bit of a ride such as Thornapple doesn't make sense. The dogs have a nice area to run at this large park off leash and the rest of the park have to be leashed. It works. Why not do that at a few of our parks.	8/22/2021 10:23 PM

126	So many people utilize the walking trail and the little league facilities. Dogs are mostly friendly, but it only takes 1 dog biting a child for a lawsuit to happen. I just feel with the large crowds that gather here on a regular basis, it is not smart to add in dogs. 305	Lots of kids/people. Kids should be able to play without the concern of being chased/bitten by dog if it gets spooked. Also, those with allergies to dogs should enjoy these spaces as well.	8/22/2021 2:10 PM
306	Bigger park that usually hosts events would think that would be better for everyone.	8/22/2021 2:09 PM

Especially since there is rarely any patrol from local pd of the parks. And tons of people that like to sit and watch kids from close and afar.	8/22/2021 1:22 PM

337	People always have dogs without leashes at Lemery Park and it's very frustrating when I am running on the trail. Honestly if I could pick all of them I would. People with dogs seem to rarely follow the rules so I guess it doesn't matter.	8/22/2021 12:07 PM

340	I feel like no dog should be banned from the park, it's not their fault for whatever their owner is doing or not doing. They need to live their lives too and being able to walk through a park should be one of them especially if that is the only place they really get out too.	8/22/2021 12:02 PM

511	Dogs are / would be a problem at these parks. Dogs are not compatible with the exercise path at Pinery. Oriole park is more a playground. Lemery Park has two bad dog owner problems. Unleashed and not taking care of their dog's poop.	8/19/2021 9:50 AM

I think Pinery Park has such a nice walking trail for humans and their pets that it is a shame not to utilize it for that. I strongly support only on a leash though and penalties for not following that rule.	8/19/2021 9:13 AM
549	Pinery Park is a popular walking and running trail, and while I've seen some people taking care of their pets, I've also seen others not respect the date restrictions or I've seen dog droppings along the trail. 3	I use Pinery regularly and appreciate the dog-free part of the year. The dogs are fine, but more owners are not leashing or keeping control of their pets. I have repeatedly almost been tripped up by dogs who are leashed but their owners allow them to jump in front of me as I'm trying to train. 48	I was walking at Oriole Park through the early months of the pandemic and the issue with dogs off leash and feces not being cleaned up was out of control. People do not care that it is the law. I called the city and complained numerous times. People were literally walking with a leash while allowing their dogs to run free. I think it's an insult to anyone who truly wants to enjoy a park and not look at dog waste or be jumped on by dogs that owners refuse to leash and keep under control. I finally stopped walking there after it became evident that it wasn't going to change. The parks belong to everyone and dog owners should be restricted to dog parks only.	8/23/2021 2:13 PM

57	You can tell people all day long to clean up after their dogs, you can post signs every ten feet, but look at every park that allows dogs and you will find "land mines" everywhere. People are lazy and don't listen, it's sad but true, this is why there MUST be dog-free parks!	8/23/2021 11:08 AM
58	The parks that don't have dog restrictions are not infested with dogs, don't have dog waste everywhere, and I, at least, have never been or seen a dog attack there, and certainly not enough to restrict dogs. Pinery Park doesn't drop in quality when dogs arrive. It doesn't get any dirtier than it already is. And frankly, it should be the responsibility of the Parks and Rec department that the park remains clean and safe, from people as well as dogs.	8/23/2021 10:45 AM

60	Breed restrictions should not be allowed as that shows the willingness to follow the fear and ignorance of people who are not willing to learn or listen to others. The only dog related rule i believe should be in place is to keep dogs on leashes regardless of their size or breed. Most often the instigating or problem dogs are the small ones that owners make excuses for allowing their bad behavior. Small, yappy, and unleashed dogs are typically the ones who run over to other good natured and on leash dogs and then start the fight by biting. To make things fair all around, all dogs need to be leashed in public unless inside a fenced in dog park.	8/23/2021 10:08 AM

65	We have lived on the border of Gezon Park for 19 years. In that time we've never been able to walk in Gezon park without having to watch out for dog doo. We have to always watch where our grandchildren are walking so they don't step in it. Most owners walking with their dogs see the park as an opportunity to let the dogs run free. We have numerous incidents over the years where our grandchildren have been so scared by dogs that run up to them. Dogs have run through our yard while the owner tries to call them back. Laws have been made concerning these issues, but there is absolutely no way to enforce or police these problems. We know there are dog owners who use the park as a dumping ground for the pets to use to do their business. We know there are responsible pet owners out there who do the right thing, but the others who don't care, ruin it for everyone. We would love to be able to walk through the park and not have to worry about where we are stepping or if some dog is going to chase us.	8/23/2021 7:33 AM

135	Times have changed in 24 years. Pets are more common in homes and considered a part of the family. Why arbitrarily select one park randomly. Dog allergies do to dander in open air is ridiculous. Breed specific decisions have not held up over the years. Why should one neighborhood be denied access at random.	8/22/2021 7:38 PM

149	Maybe instead of banning pets from an entire park. You just restrict where they can go in said park. Maybe make only a certain part of Pinery park dog friendly so there is still areas where others can go if they do not want to be around animals. That way the people who do have pets, they want to walk, aren't turned away. We only have a dog at this point in our life and since we can't bring her there we will never visit that park. Even once we have children we probably wouldn't go to a park that wouldn't allow us to bring our dog because it would be an inconvenience.	8/22/2021 7:06 PM

It saddens and frustrates me to be banned from the park just when the weather turns lovely. I keep my dog leashed and carry bags for his occasional poo. I desperately want to be able to use "my" park year round! There are no other parks in Wyoming with a paved trail and the location feels perfectly safe for a woman walking alone. I spoke with someone from the Parks & Rec department and was told that the ban is not enforced so why even have it? I have further been frustrated by the frequency with which I drive by and see people walking their dogs but my conscience doesn't let me just disregard the rule. I can't express how happy I would be if this rule were changed!!! It makes no sense and I am certain it caters to a tiny minority of Wyoming citizens. Please, please, please let us use our park year round! And perhaps consider installing the dispensers that hold the green poo-disposal bags that I have seen at other parks. Perhaps we could designate 3 specific parks you CAN bring your dogs to where an officer or someone official could be posted, kind of like a life guard at a pool, along with posting dog safety rules. People using the park would know up front that they must follow the rules or be asked to leave and/or get a citation. Kind of wish they had a dog referee at our dog park. I stopped going there because some owners didn't have control over their dogs. They were really nice people who cared. But most of my time was spent protecting my dog. He played fair and wanted other dogs to comply. He didn't start fights, but being a Canaan he could easily end them. I worried about being sued. Dogs should never, ever be introduced to each other by being set free. Socially it invites confrontation. Ideally, a group walk is the best way. When someone wants to enter, everyone should leash up, go to the gate, then do a "pack walk" with the new comer in a big	8/19/2021 12:04 PM

circle around the perimeter. Yeah, tall order, but I used to dog sit at my house in Rockford and this works.

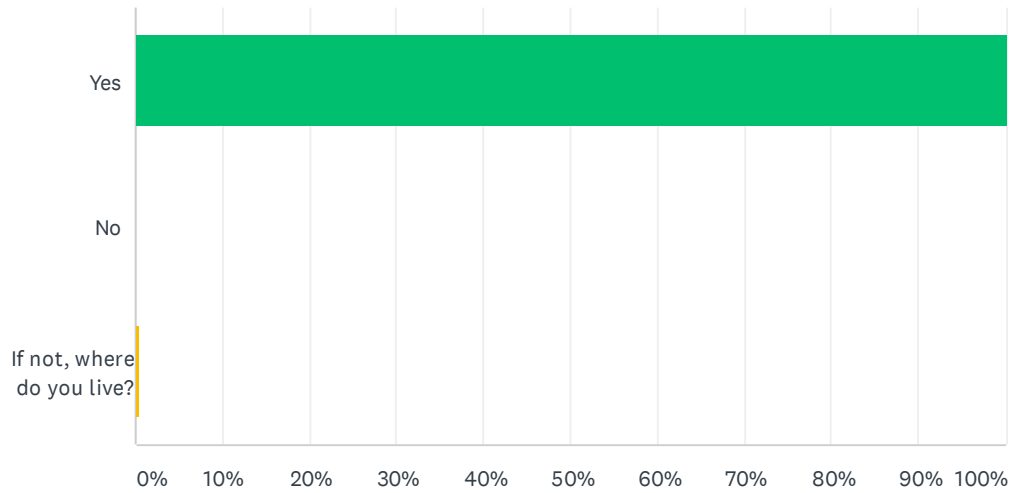

338	I would be nice to walk my pets at pinery park as long as they are on leashes and pet owners pick up their waste	8/19/2021 12:04 PM
339	Thank you so much for the great job you do on our parks!	8/19/2021 12:03 PM
340	I didn't even know Pinery was a dog free park, there's always dogs and dog poop everywhere.	8/19/2021 12:01 PM
341	It would be so nice to be able to use Pinery Park more. It is a lovely park and we definitely want to keep it that way. I think furry friends would make a nice improvement to the park. I do think the owners should be required to pick up after their dogs and that dogs should remain on the leash while in the park too.	8/19/2021 11:52 AM
342	People don't pick up after their dogs. Which can be unhealthy for other dogs and humans. I'm not sure if it will make a difference unless you follow through with the rule.	8/19/2021 11:39 AM
343	It doesn't matter if it said no dogs allowed people doesn't respect, and the police doesn't do anything about it.	8/19/2021 11:38 AM
344	I think having dogs in the park is great as long as people pick up after them and keep them on a leash.	8/19/2021 11:23 AM
345	Thank you for being open to our opinions.	8/19/2021 11:13 AM

355	Signage and enforcement of off-leash violations is not happening. If you read Nextdoor, you will see people who are being terrorized by off leash dogs every week at parks. There are a lot of responsible dog owners who should not be restricted in park use--but I would say off leash dogs at the park pose more danger to my health and safety than any other thing in my neighborhood--yet the Parks Dept and police do NOTHING about it. I am considering getting a dog taser, which might only escalate things. My small dogs and I have been rushed by a German shepherd, loose labs, and outright attacked by a rottweiler all while the owners said, "he's a nice dog. He won't hurt you."	8/19/2021 10:25 AM
356	I wish there could be better cleanup of dog feces along the trails.	8/19/2021 10:24 AM

360	I have lived within walking distance of Pinery Park for almost 10 years. It has been frustrating that I can't use the trail during the summer when I want to take a walk with my dog. I have young kids so the trail is easier to go on with them instead of walking around the sidewalk and crossing roads all the time. I would to have the restrictions lifted and would use the trail often with my dog and kids.	8/19/2021 10:15 AM

365	Have some spot enforcement during the hours people walk their dogs.	8/19/2021 9:50 AM
366	The ordinance works well. When I see a dog there during the time they are not allowed, it feels like an invasion of sorts. The tranquility is worth a lot.	8/19/2021 9:48 AM
367	I think Wyoming should be more dog friendly. Not only parks but other areas also. Restaurants with outdoor seating would be ideal.	8/19/2021 9:47 AM

369	Being able to walk your dog in a park is something all residents should be able to enjoy	8/19/2021 9:38 AM
370	I feel people should be able to take their dogs, but they must be on a leash and clean up after them. Maybe they can restrict certain areas, like on the playground area, ball fields, etc, but not the park as a whole.	8/19/2021 9:37 AM

374	Keeping parks dog free because of irresponsible dog owners that do not keep dogs leashed or pick up after dogs is akin to keeping a park African American free because of media stereotypes of gang activity or Hispanic free because of fear of immigrants. It's virtually racist, and it treats responsible dog owners as second class citizens. Rather, all parks should be open to all leashed dogs, and restrictions should be placed on policing irresponsible dog owners.	8/19/2021 9:27 AM
